## CLUB SERIES RACES

Sunday morning club racing consists of a pursuit race starting at 10.00am and a handicap race starting at approx. 11.45am.

The Wednesday evening races are pursuit races starting at 7.00pm. The last three races of the series start at 6.45pm.

The number of races to count for each series is 50%+ 1.

The boat/helm combination entered in the boat/helm's first race entry of a series defines what is being sailed for that series (either single or double handed using the appropriate PYN)

Scoring - the RYA low point system as described in the Racing Rules of Sailing, Appendix A will be used for scoring all events and series. The points are rewarded as follows:

1 <sup>st</sup>	1
2 <sup>nd</sup>	2
N <sup>th</sup>	N
RTD, DSQ, DNS	No of starters in race +1
DNC	No of competitors in series +1

Points will be awarded for Race Officer, Assistant Race Officer & Fast Safety Boat duties. The code "OOD" will be shown in the results to indicate this. The points awarded for OOD is the average of points gained in the series excluding DNC.

### **New for 2019:**

For the Wednesday Evening Race Series, the RO and ARO should ensure that adequate safety is provided by using at least one of the DO orange safety boats if a trained volunteer is not on the water in the FSB.
